Small and Emerging Business Development Program

Forward progress is the purpose of LED's Small and Emerging Business Development program. With a commitment to ongoing, sustainable economic and human development, the SEBD program helps Louisiana's small businesses help themselves and more.

Benefits

Provides managerial and technical assistance training needed to grow and sustain a small business.

Get small business assistance on a wealth of topics:

- Entrepreneurial training
- Legal assistance
- Web development training
- Managerial and technical training
- Marketing and design
- Computer skills
- Accounting resources

Eligibility

The program is open to all Louisiana small businesses that meet the eligibility requirements for both the business and the owner. Certification is effective for up to 10 years or until the firm no longer meets the eligibility requirements for the program. For a list of eligibility requirements, visit OpportunityLouisiana.com/SEBD.

Process

1. Complete the application at www.ledsmallbiz.com.
2. LED reviews online application.
3. Certification status is emailed to applicant.
4. Contact an intermediary for an assessment.
5. Receive assistance as identified in the assessment.
